Atlanta, March 18, 2020

Dear PRC or FDA participants

Following the situation with the COVID-19 and out of concern for the health and well-being of you, your family, all of us involved in these conferences and the general public, we decided to cancel the 2020 conferences.

IMPORTANT INFORMATION FOR AUTHORS: We have decided to publish the proceedings of the conference and we will make the proceedings available to the general public. The proceedings will consist of all papers and presentations that will be submitted to the conference(s) web site. You have the option (a) to submit your paper and presentation, or (b) decline to submit the paper but submit an updated abstract for the 2021 conference (the site for the 2021 conference will open in May 2020). Note there will be no automatic transfer of 2020 papers to the 2021 conference.

Please take this virus seriously, follow guidelines and stay safe and healthy.

Sincerely,

A handwritten signature in cursive script that reads "A. P. Meliopoulos".
