

2025 GEORGIA TECH FAULT AND DISTURBANCE ANALYSIS CONFERENCE SESSION CHAIRPERSON DUTIES

I. INTERACTION WITH AUTHORS PRIOR TO THE FDA CONFERENCE

- Authors should have already uploaded their Abstract to the Georgia Tech FDA website at https://www.ap-concepts.com/2025_FDA/openconf.php whereby they selected the {Make Submission} feature and the following info was entered; Paper Submission Title, Primary and Co-Author(s) contact information including an email address, short abstract, paper keywords, password selection, Topic Areas for the paper, checking the Consent box, etc. Authors were then provided via an email from Georgia Tech with a **Submission ID** number for future uploads and paper corrections to be used in combination with the author's selected password. Authors will use the **{Make Submission}** feature. All subsequent submittals for everything must be accomplished using the **Make Submission** link.
- Be sure to request a reliable contact telephone number from the Authors assigned to your session as soon as possible.
- After the authors have accepted the invitation to present their paper at the FDA Conference, begin the process of prompting authors assigned to your session to submit a preliminary copy of the paper and a copy of the software presentation (i.e., PowerPoint®) file or any other TRUC/GaTech conference approved and formatted presentation. PowerPoint® presentations are preferred for use at the FDA conference.
- Send the TRUC/GaTech approved template for the PowerPoint® presentation to the author(s).
That template can also be located at:
https://truc.org/wp-content/uploads/FDA_2025-GaTech-First-Page-PPT.pptx
- Prior to attending the FDA Conference, advise Authors they should endeavor to meet with their assigned Session Chairperson prior to presenting their paper. If the authors do not contact you directly, proceed to contact the authors while at the GaTech FDA conference prior to the time they present their paper. Should an author make any last-minute changes to their presentation, it must be confirmed that their revisions conform to the original Author guidelines. **Refer to the paper presentation reminders at the end of this document on page #7 of 7.**
- During the first deadline week that occurs eight weeks prior to the **5 May 2025** starting date of the FDA Conference, advise all authors assigned within your session to upload the latest revision of their approved paper and Microsoft® PowerPoint® or other TRUC/GaTech conference approved and formatted presentation(s) to the Georgia Tech FDA Website using the **Make Submission** link at:
https://www.ap-concepts.com/2025_FDA/openconf.php
- Session Chair/Vice-Chairpersons must first, **"Create an Account"** to sign up as Reviewers.
Create account: https://www.ap-concepts.com/2025_FDA/openconf.php
The Keycode for the 2025 review committee signup will be provided if needed.
- You must provide your email address and the Keycode. A confirmation email will be sent to the email address you provided when creating your **Reviewer Account**.
- The **Chair** link is not for reviewers or authors. It is only for the conference site administrator.

III. FDA CONFERENCE SESSION MANAGEMENT

A. Introductions (Keep brief)

1. Introduce paper subject and title
2. Name the Authors
3. Give biographical information on presenter of paper

B. Presenter Time Management

1. Keep presentations on schedule
2. Advise each presenter to monitor the Timer Clock during their presentation
3. Total time limit for each presentation is 35 minutes which includes 5 minutes for Q&A and changing of the presenters.
4. The timer counts down from 30 minutes and turns yellow with five minutes left and turns red with two minutes left
5. Signal presenter 5 minutes before allotted presentation time has elapsed
6. Length of scheduled breaks will be used to keep presentations on schedule

C. Discussion Questions

1. Limit Q&A time to 5 minutes
2. During the conference, should there be no questions from the audience after completion of the paper presentation, unless otherwise obviously not necessary, it might be helpful to use any previously prepared or spontaneous questions to prompt a discussion about the paper from the audience.
3. Should a presenter exceed the time limits based upon a lengthy paper presentation and/or audience questions/comments, it will be necessary to suggest an offline discussion between the author and questioners, then move on to the next presentation to keep the FDA conference on schedule
4. Direct questioners to microphones provided in the aisles by a TRUC member

D. Award Presentations

Present awards to all authors on behalf of the Georgia Tech Continuing Education Department.
