

**2019 GEORGIA TECH FAULT AND DISTURBANCE ANALYSIS CONFERENCE
SESSION CHAIRPERSON DUTIES**

I. INTERACTION WITH AUTHORS PRIOR TO THE FDA CONFERENCE

- After authors have accepted the invitation to present their paper at the FDA Conference, begin the process of prompting authors for a preliminary copy of the paper and a compressed copy of the software presentation (i.e. PowerPoint®) file or other TRUC/GaTech conference approved and formatted presentation.
- Send the TRUC/GaTech template for the first cover page to the author(s).
- Advise all authors during the first deadline week of **March 4-8, 2019** that occurs eight weeks prior to the **29 April 2019** starting date of the FDA Conference, they must upload their paper and Microsoft® PowerPoint® or other TRUC/GaTech conference approved and formatted presentation to the Georgia Tech Website at http://www.ap-concepts.com/2019_FDA by using the {Make a Submission} feature where the following info can be entered; Paper title, Author(s) email, short abstract, paper keywords and password selection. Authors will then be provided via an email from Georgia Tech with a **Submission ID** number for future uploads and paper corrections to be used in combination with the author's selected password. Both the paper and the power point will be reviewed by the assigned Session Chairperson and/or Co-Chairperson.
- Read the paper prior to the session; Provide feedback to each author by five weeks (**March 25-29, 2019**) prior to the FDA conference starting date of **29 April 2019**. Check that all guidelines were followed. If not, advise the author where the changes are needed within the paper and also for the PowerPoint® presentations that must also be provided to you by the author(s).

II. TRUC SESSION CHAIRPERSON SUBMITS AUTHOR'S missing PAPER and MICROSOFT® POWERPOINT® PRESENTATIONS TO THE CONTINUING EDUCATION DEPARTMENT if required

- Authors that do not submit both the paper and slides for review and acceptance by the Session Chair or Co-Chair may be replaced with an alternate paper.
- To ensure that an author's late paper completion will appear in the Proceedings, it may be necessary for the Session Chair or Co-Chair to e-mail (in PDF format) an original black & white or color copy of the author's paper, suitable for photocopying, and the presenter's biographical sketch to Georgia Tech (janine.lyn@ece.gatech.edu) in the four-week timeframe (**April 1-5, 2019**) prior to the **29 April 2019** starting date of the FDA Conference. **A brief biographical sketch of all authors should be included on the last page of the paper.** The paper should be e-mailed or mailed to the address below:
